**SUBJ: Bad Retirement Form, SF 2802, Application for Refund of Retirement  
Deductions (CSRS)**

The Office of Personnel has informed the Federal community that some agencies may have received a supply or supplies of incorrectly printed copies of the SF 2802. Instead of having a correct page 2, which provides the place for the applicant to list former spouses, the second page contains SF 2801-1 information instead. Please check your supplies to see if you have the good form, rather than the incorrectly printed SF 2802. We will check to see if our Depot has the correctly printed form.

If you have the bad form, destroy all copies, and request a replacement from the VA Depot.

Questions about this flyer should be directed to your geographic area contact within the Customer Advisory and Consulting Group.
